Good Afternoon Mr. Eams:

This is an update to your U.S. General Services Administration (GSA) Freedom of Information Act request of October 21, 2014 (GSA number 000077) where you requested "a list of every position in every component of the GSA that was a career reserved position (CRP) within its Senior Executive Service (SES) and which, under 5 USC § 3132(b)(4), the GSA was mandated to publish in the FEDERAL REGISTER by March 1 of 2011, 2012, 2013, 2014, but did NOT so publish, for the calender years 2010, 2011, 2012 and 2013."

Under FOIA, a Federal Government Agency can take a 10-business day extension without a formal approval from the requester. In order to properly respond to your request, GSA will need additional time to complete the collection of information, to obtain the necessary reviews and concurrences prior to releasing the information to you. You should expect a final reply on or before Thursday, 4 December 2014.

I apologize for this delay and any inconvenience it may cause you, and thank you for your continued patience and understanding.

Respectfully,
Freedom of Information Act
